Whole Number Foundations Level K Logic Model

Intervention Components   **Mediator**   **Proximal Outcomes**   **Distal Outcome**

Component: **Whole Number Content**

1. Number Sense
2. Counting and Cardinality
3. Number Operations
4. Base 10

Group Size

Teacher-Student Instructional Interactions

Component: **Instructional Design Principles**
1. Explicit and Systematic Instruction
2. Use of Math Models
3. Student Practice Opportunities

Procedural Fluency

Conceptual Understanding

Student Mathematics Achievement
